MOTION FOR Emergency Help (Hunger/Liquid Strike)

Your honor starting tonight I am going on a hunger strike and if something isn't done to address the plethora of problems in this case especially my food, I'm going on a liquid strike starting 3/30/18. I'm sick of this.

As of today, despite a new provider agreeing about my problems due to eating non-vegan and medical complications including Chest pain (Food Reaction Allergy) and later coming back and telling me while Doc works on the religious tray She'll provide A Vegetarian Tray with Double Fruits and Vegetables Add Crackers and 6 ounce peanut butter per meal. My

know what this quack does without discussion.

Takes me off my fiber pill that's long been affective and add a bunch of random unnecessary meds I've never heard of or seen before.

Yea, I'm NOT starting from scratch, dealing with grievances lies like this, and more. That's a ton of hell I don't need.

I'd rather die. Peroid.

There's NO Excuse for this. At all. All the dang notes are in my Files. Give me unmalitied unhiddden access and I could literally show you.

I'm sorry but screw THIS. I'd rather die of hunger & dehydration by my own hands than suffer months and months of this bullcrap. NOT joking.
